GIVING

Hello again!

As a C.A.F.E recruit, one of the most important lessons you'll learn is the importance of giving. You can give your time or your money to help others. Giving your time might be the work you do to help an elderly neighbor keep their lawn in good shape. Giving your money might be the \$10 donation you send to a relief organization to help the victims of a tornado that destroyed homes and property. If you think the benefit goes only to those you're helping, think again. You, too, will gain a lot from the generosity you show to others!

If not, write on the line below the description of a giving opportunity in which you'd like to participate, then talk with your parents about how to make it a reality.

**A MESSAGE FROM
EDUCATION FIRST**

Hi Recruit!

This holiday season, give back to your local community by participating in our Spirit of Giving Food Drive. We will be collecting non-perishable food items at our Woodville, Kountze, Silsbee, and Jasper branches from November 1 - 10. These donations will benefit food pantries within these communities.
